William O'Brien
Executive Director
Public Service Commission
of Delaware

II. BACKGROUND:

On September 16, 2011, Delmarva Power & Light Company (Delmarva) filed the application for approval of a pilot program (“the program”) for solar renewable energy credit (“SREC”) procurement for a 20 year term. Initially, the procurement has been designed to meet only the SREC requirements for compliance year 2011 (June 1, 2011 – May 31, 2012) for Delmarva. It is subject to ongoing evaluation and revision to ensure that it is operating and meeting the goals that the Delaware Renewable Energy Portfolio Standards Act (“REPSA”) set for the Taskforce. As part of the Program a public solicitation for SRECs, for a 20 year term, will be conducted for different categories of solar generators based on their capacity, using a bid form developed by the Taskforce. The Delaware Sustainable Energy Utility (“SEU), through a third party contract administrator, will administer all aspects of the bid process for the utility that participates in the Program. This allows the SEU to take advantage of its banking rights under REPSA by procuring the SRECs from the various generators and reselling them to participating utilities, and it also centralizes the management of the Program in one entity rather than several.

Currently Delmarva is the only participating utility. Staff recommended that an independent consultant be retained to review and evaluate the Pilot Program, as is done for other processes e.g. the SOS procurement process. Although the Taskforce (led by DNREC) intends to monitor and evaluate the Pilot Program, Public Service

Commission Staff suggested that its role in that process should be advisory only, and there should be an independent review of the Pilot Program. In Staff's view, such a review is especially important given that Delmarva is outsourcing the procurement, contracting and administrative responsibilities to the SEU. More information can be found on the [DE Public Service Commission's website](http://www.depsec.delaware.gov/) <http://www.depsec.delaware.gov/> and specifically [PSC Docket No. 11-399](http://depsec.delaware.gov/electric/11399.shtml) <http://depsec.delaware.gov/electric/11399.shtml>.

III. SCOPE OF WORK TO BE PERFORMED:

The PSC seeks assistance from qualified firms and individuals to provide professional public utility consulting service to the PSC in regard to analyzing and evaluating the Pilot Program for the Procurement of Solar Renewable Energy Credits ([Docket No. 11-399](http://depsec.delaware.gov/electric/11399.shtml)) <http://depsec.delaware.gov/electric/11399.shtml>. The Commission's internal staff may participate in certain areas of the case, which may be incorporated in the consultant's case presentation package.

The successful offeror(s) will be required to analyze the filing by the utility, analyze and evaluate the Pilot Program for the Procurement of Solar Renewable Energy Credits, and prepare a report and present the report to the Renewable Energy Task Force and to the Commission. Professional assistance will also be required in the preparation of explanations, summaries, schedules, and exhibits as required by the PSC.

In summary, the successful offeror(s) will be expected to provide a range of services in the areas specified which would normally be provided by the staff of a larger state utility regulatory commission in the proceeding of a similar matter to its conclusion. The Commission seeks from the bidder(s) a firm total not-to-exceed price for complete performance of these tasks, a list of individuals and their qualifications who will be performing the tasks, and an estimate as to the time frame in which the work can be completed. The intent of this RFP is to award a contract to that responsible bidder whose proposals, conforming to the RFP are most advantageous to the State, price and other factors considered.

Please provide a separate priced quote for each task and estimated time schedule for the provision of professional consulting assistance. **A bidder shall provide a quote for all of the following tasks:**

Task 1:

Analysis and evaluation of procurement by tiers

Task 2:

Analysis and evaluation of administratively set prices.

Task 3:

Analysis and Evaluation of the solicitation using the SEU (third party contract administrator)

Task 4:

Evaluation of Policy Issues including but not limited to:

- a) the extent to which Delmarva should enter into long-term SREC purchase contracts relative to spot market SREC purchases

Task 5

From a planning standpoint, how the potential reduction of Delmarva's SREC purchase obligations as a result of the Bloom project ([Docket No. 11-362](http://www.depsec.delaware.gov/electric/DPL%20Bloom%20Energy.shtml)) <http://www.depsec.delaware.gov/electric/DPL%20Bloom%20Energy.shtml>

could be managed with respect to entering into long-term SREC purchase contracts.

Task 6

How can the program be designed to minimize ratepayer costs given the other objectives set forth in REPSA?

The successful offeror(s) are expected to use professional expertise in projecting a reasonable work plan for this engagement which will result in the completion of the engagement for the fixed price. The Commission recognizes that there are limited circumstances where, for unforeseeable reasons, the scope of work will necessarily expand beyond that reasonably contemplated in the original proposal and, therefore, the Commission will consider timely filed requests for supplemental compensation. A timely filed request is one filed with the Executive Director in sufficient time prior to the consultant commencing the work for which the additional payment is sought as to enable the Commission to consider the request (normally not less than two weeks). ALL OFFERORS ARE HEREBY SPECIFICALLY ADVISED THAT PRIOR TO ANY PAYMENT FOR SUCH ADDITIONAL COST, THE CONSULTANT WILL BE REQUIRED TO PROVIDE DETAILED WRITTEN

SUPPORT FOR ANY SUPPLEMENTAL FUNDING DEMONSTRATING THAT THE WORK INVOLVED IN BRINGING THE MATTER TO CONCLUSION WAS NOT AND COULD NOT HAVE BEEN REASONABLY CONTEMPLATED AS BEING WITHIN THE ORIGINAL PROPOSAL. The consultant may, in addition, be required to appear before the full Commission in open public session to explain any such request for compensation over and above the firm price established to complete this engagement.

Also, in Delaware, by statute (29 Del. C. §8642), the Public Advocate may request assistance from the Staff and experts retained by the PSC. The right of the Public Advocate to request assistance from the Staff or experts is limited (without prior Commission approval) to assistance which will not increase the overall billable cost to the Commission. Any requests for assistance by the Public Advocate which fall outside the scope of this Request for Proposal or which would require the consultant to perform additional work not included in the consultant's contract price must be brought to the attention of the Commission's Executive Director for approval before any such work or assistance is provided. The Office of the Public Advocate is also empowered to independently retain consulting or other expert assistance as deemed necessary.

IV. DEADLINE FOR PROPOSALS:

All proposals must be received not later than NOON on Monday, March 12, 2012 in a sealed envelope marked "BID PROPOSAL ENCLOSED". Proposals received thereafter

will not be considered by the PSC. To be received, the proposals must be physically present, by mail or by delivery at the PSC office, 861 Silver Lake Blvd, Cannon Building, Suite 100, Dover, Delaware 19904, by the time specified hereinabove.

Please include each person's position within the firm, billing rate, experience, specific contribution to be made to the project, and other pertinent information. In addition, list the names of both the partner or officer in charge or the project manager, and give an estimate of their billable time for the project. List the estimated hours to be applied by all other persons to be assigned to this project. No persons other than those listed in the offeror's original proposal will be permitted to work on the project without the prior express approval of the PSC Project Coordinator.

Provide a résumé for each person who will be assigned to the project indicating the individual's knowledge of the subject areas for this project and the qualifications applicable to the performance of the project. In addition, please list in your proposal three (3) current references for each person, along with addresses and current telephone numbers of the reference. These references will be contacted by Commission personnel in the evaluation of the proposals received.

X. RELATED PROJECTS:

Each proposal must list projects currently in progress or completed within the last two (2) years, which the offeror considers to be similar to this project. Each project should be described in sufficient detail to permit comparison with the subject matter of this RFP. Please place this information in an appendix to your proposal.

XI. CONFLICTING INTERESTS OR EMPLOYMENT:

Any individual or firm submitting a proposal is required to review its prior and existing employment, and that of its personnel, to insure that there are no interests which could reasonably be deemed to conflict with the work which is the subject matter of this RFP. The PSC is interested in avoiding even the appearance of impropriety and, therefore, any doubts in this regard should be resolved in favor of full disclosure. The successful offeror, and the personnel employed on the project, must have no financial or business interest directly or indirectly with PSC regulated companies or their competitors doing business within the State of Delaware which would or could be reasonably thought to affect the exercise of independent professional judgment throughout the proceedings contemplated by this RFP. Even though not state employees, the offeror should read and be familiar with the terms of 29 Del. C. Ch. 58 - "Laws Regulating the Conduct of Officers and Employees of the State" so as to assist them in avoiding any improper conduct. In addition, 26 Del. C. §109 provides:

No person shall be eligible for appointment to or shall hold the office of Commissioner, or be appointed by the Commission to hold any office or position under it, who is a director, officer or employee of any public utility or owns or directly or indirectly controls any stock of any public utility entitled to vote for election of directors. No Commissioner, and no employee, appointee or official engaged in the service of or in any manner connected with the Commission shall hold any office or position, or be engaged in any business, employment or vocation, the duties of which are incompatible with the duties of his office as Commissioner, or his employment in the service or in connection with the work of the Commission.

It is intended that the contract resulting from the formal acceptance of the Proposal will be on a "NOT TO EXCEED" basis. You are requested to submit a proposal which is realistic for the approach you propose and which will enable you to give the PSC the full benefit of your best professional judgment and efforts.

Using the format below, provide a breakdown of the price of the proposal by hourly rates for every professional individual. Charges for non-professionals such as secretarial and typing support may be aggregated under "other fees or expenses".

<u>NAME</u>	<u>BILLING RATE</u>	<u>HOURSEXPENSES</u>	<u>TOTAL</u>
Partner			
Project Manager			
All Others (by name)			
All Other Fees or Expenses			

Flexibility between classes and among members of the project team is permissible if the maximum price is not exceeded.

In addition to the above format, each proposal must contain the following statement:

The PSC shall pay (offeror) as full compensation for all authorized work performed and accepted including all costs, fees, and expenses, an amount not to exceed \$_____.

All price information shall be placed in your proposal.

Only reasonable expenses shall be charged. The Commission reserves the right to disallow expenses charged for the engagement for which the Commission determines are not reasonable. Insomuch as the proposed services will be for a state agency, the successful offeror shall make every effort to keep costs of hotels, meals and transportation

to a minimum. When considering future proposals from a successful offeror, the Commission will consider the successful offeror's record in this regard.

XIV. ACCEPTANCE OF PROPOSAL:

The original and copies of your proposal may be used as the contract. Therefore, each proposal must include an acceptance paragraph for the PSC to sign. Until a formal notice of acceptance is issued, however, no communication either written or oral, by any member of the Commission or Commission employee, shall constitute or be interpreted as a promise of or actual acceptance of any proposal.

A formal notice of acceptance will be issued in writing to the successful offeror upon receipt by the PSC of approval of a validly executed purchase order for the proposal from the Office of the Secretary of Finance of the State of Delaware. Such formal notice of acceptance is required prior to the creation of a contractual relationship between the successful offeror and the PSC. By submitting a proposal, an offeror specifically agrees to perform no services chargeable to the PSC or the State of Delaware under or in connection with this RFP or the subject thereof until receipt of formal notice of acceptance.

To facilitate the processing of the proposal of the successful offeror, the following tentative acceptance paragraph should be provided at the end of your proposal:

If this proposal meets with PSC approval and we are selected as the successful offeror, you will so indicate by signing the acceptance provided below and we will consider the RFP and this proposal as our agreement on this matter. We understand that this acceptance is tentative and conditioned upon approval by the

Office of the Secretary of Finance of the State of Delaware of a validly executed purchase order for the work to be performed in connection therewith. We will perform no services under this proposal to be charged to the PSC or to the State of Delaware and will not consider a binding contractual arrangement to have been entered into until the issuance by the PSC of a formal notice of acceptance stating that a validly executed purchase order for services to be performed in accordance with this proposal has been approved by the Office of the Secretary of Finance of the State of Delaware. We acknowledge that all terms, conditions, and assurances contained in the RFP to which this proposal responds are accepted and incorporated by this proposal.
